# Soundhararajan L

Software engineer | React | JavaScript | MERN Stack developer | Python

Namakkal, Tamil Nadu, India

## Summary

Hello, I'm a software engineer based in Bangalore, currently employed at ASM Technology. With a diverse background, I've actively participated in several React and Django projects, showcasing my proficiency in Python and JavaScript. My current focus revolves around data science and JavaScript development, with a specialization in Google Apps Script. I bring a wealth of experience in both backend and frontend technologies to contribute effectively to software development projects.
